QUESTIONS AND ANSWERS:

On September 8, 2014, the City received questions from Cannon Sports, concerning the City's BID. Cannon Sports questions and the City's responses to Cannon Sports questions are set forth below.

Cannon Sports Question No. 1: Can like-for-like substitutions be used? We will give make and model number to any substituted item.

City's Response: As long as product requirements and parameters are met in terms of functionality, size and quality like for like may be used

Cannon Sports Question No. 2: Is this going to be one shipment to one location? We understand there may be more along the line, but is this basically a one shipment order?

City's Response: This is for an open PO, not a one shipment order and amounts may vary thereafter.

Cannon Sports Question No. 3: We charge a \$15.00 handling fee on all shipments under \$200.00. Is this acceptable? There will be a note on the bid, mentioning the charge.

City's Response: Shipping fees are not an issue. but they must take into consideration that another vendor might not charge shipment and in terms of an item being the same price they might lose out to them.(this would obviously be in the occurrence that a purchase does not exceed their \$200 requirement)
